COMPANY
PROFILE

YINGCHUAN

ELEGANT BUT NOT SIMPLE!

YINGCHUAN --- Elegant but not simple!

YINGCHUAN is a professional manufacturer of faucets and bathroom accessories, and is the best partner for OEM, ODM and commercial engineering projects.

Kaiping YINGCHUAN Sanitary Ware Technology Co.,Ltd is dedicated to the exquisite and perfect 304 and 316 stainless steel sanitary ware. Located in Shuikou town, Kaiping city, Guangdong province, which is known as "Plumbing sanitary ware base of China".

As a true manufacturer, our product R&D team develops new products in a highly responsive manner to the changing market trends From product development to raw material selection to casting, machining, polishing, to final packaging and delivery, these are strictly performed to the highest standards of quality control.

Until now, more than 100 + products have obtained international certification, such as Watermark, **WELS, KC, cUPC, NSF / ANSI/CAN 61, NSF/ANSI 372 LEAD FREE, CEC** and so on.

WHY YINGCHUAN
As an internationally recognized manufacturer of minimalist design faucets and shower systems, YINGCHUAN has been recognized as an advocate and protagonist of minimalist lifestyle, bringing creativity and light luxury into many homes.
Pursuing unique design and complete functions, we pay more attention to the health of user.

Comparing with ordinary faucets, Yingchuan chooses safe, lead-free and environmentally friendly 304 and 316 stainless steel as the base material for all products, which are healthy to human body.
All people-oriented.

Both 304 stainless steel and 316 stainless steel are high hardness and durable materials, which is anti corrosion, rust resistance and can adapt to various harsh environments.lead-free material, environmental protection and safety.
There is a point where style meets the essential values of life, where design and quality become a commitment.

YINGCHUAN specializes in providing you with high quality sanitary wares such as Multifunctional concealed shower systems, thermostatic showers, bathroom faucets, kitchen faucets, sensor faucets, bathtub faucets and bathroom hardware pendant.
We are committed to providing our customers with intelligent, personalized and serialized product in novation solutions!

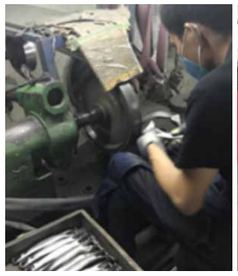
Color products are becoming more and more popular
Fashion, light luxury
Kinds of color processing is one of YINGCHUAN’s advantage,
YINGCHUAN good at: PVD: Brushed gold, Brushed rose gold, Gun grey, Gun black colors, Painting or Electroplating or PVD: Matt black and Matt white colors
With innovative design and superior quality products, we will bring you the core market competitive advantage and make you win considerable economic benefits.
Elegant but not simple!
YINGCHUAN is looking forward to meeting you!

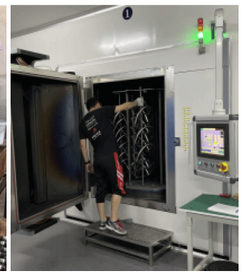
PRODUCTION
PROCESS

1.Product research and development and Mold manufacturing

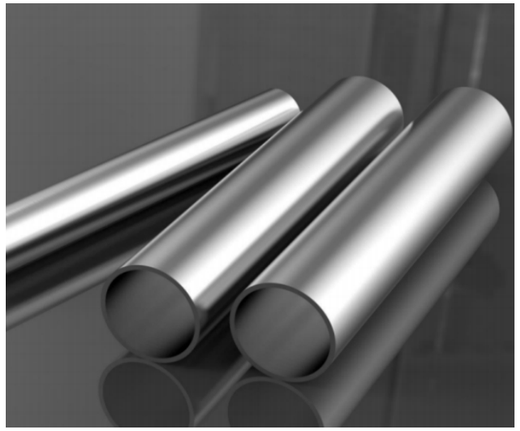
2.Precise casting

3.Surface polishing and Part of the machine display





4.Water testing and Assembly and package



1 Perfect design, excellent quality

Follows the characteristics of stainless steel

Industrial style

Simple but elegant style

Pay attention to all the details: lines, circles.....

2 Lead-free materials, quality assurance-304 stainless steel

Pursuing unique design and complete functions, we pay more attention to the health of user. Comparing with ordinary faucets, our faucets are made of high-quality stainless steel, which are healthy to human body.

All people-oriented.

3 High-requirement for casting process

High-requirement for production processes, which include Wax pattern injection->Wax pattern modification->Sand mold coating->Sand mold drying and forming->Smelting->Body forming->Cleaning->pickling->Rough blank completion. With these complex and refined crafts, a perfect product comes out.

4 Particular surface treatment

High-quality stainless steel, smooth surface, no burrs, no sharps, no pores, clear, clean, bright and durable.

5 Product supports customization of various colors

Minimalist lines

The straight-pull stainless steel bathroom Series (Line Series), with its unique precise texture and minimalist lines , is redefining the spatial language of high-end bathrooms. This series is not merely a collection of products, but rather a philosophical expression about purity, precision and longevity.

Elegant round series

Elegant freehand brushwork,nobleness and romance,radiate life sentiment seeking for nobleness but extravagance.harmonious colour mix,clear contrast of layers and various expression ways,entirely keep the clean and smooth of the whole apace,rich in imagination.

Art exists only for creativity and expression of life. Attractive visual manifestations and simple and stylish lines of the atmospheric appearance, hard and soft perfect casting, such as moonlight-plated fashion texture and exquisite excellent craftsmanship, is a true interpretation of "full art boutique". At the same time, the faint light color is constantly showing people the elegant feelings of the master.
